The parties have submitted briefs on a Markman dispute (Docket Entry Nos. 59, 64, 71, 72) which refer to a large volume of documents. The parties shall jointly construct and submit one joint appendix containing all documents of every type referenced in the briefs, in pdf format, including a computer-searchable, hyperlinked table of contents. The parties shall submit two copies of the appendix and table of contents on thumb drives, due Monday, December 19, at 10:00 AM.
